WWW: www.factwebsite.org

Founded: 1996.

CEO: Linda Miller, MPA.

Purpose: To promote quality medical and laboratory practice of cellular therapy through peer-developed standards and voluntary inspection and accreditation program. FACT accredits facilities under the two sets of international standards: 1) FACT-JACIE international standards for cellular therapy product collection, processing and administration 2) NetCord-FACT international standards for cord blood collection, processing, testing, banking, selection and release.

Accredits: Cellular therapy organizations and cord blood banks.

Updated: 11-Jun-12.

Verification: Confirmed by Organization.
