| Purpose: | To guide ethics committees in reviewing clinical trials. | | |
| Focus: | Conducting primary research | | |
| Governance: | Unknown | | |
| Finance: | Pfizer | | |
| Methods: | Pfizer (in the United States) suggested that the Clinical Trials Centre at The University of Hong Kong produce this manual. A telephone conference call was held with ten senior Pfizer | | |

global staff to discuss its objective. Johan PE Karlberg wrote the manual. Marjorie A Speers commented on its contents and the first and subsequent drafts. A group of international human research protection experts, mostly working in non-profit institutions or organizations, reviewed and commented on the manual's contents and final draft. *No further information published.*
