Purpose:	To provide uniform requirements for manuscripts submitted to biomedical journals.		
Focus:	Publication		
Governance:	Unknown		
Finance:	Funded by a group of general medical journal editors. <i>No further information published.</i>		
Methods:	In 1978, a small group of editors of general medical journals met informally in Vancouver, British Columbia (Canada), to		

establish guidelines for the format of manuscripts submitted to their journals. Multiple editions have been published since. Over the years, issues have arisen that go beyond manuscript preparation, resulting in the development of a number of separate statements on editorial policy. *No further information published.*
